Scythar wrote on Tue, 17 January 2006 05:03PS3? Doh. Prerendered pictures....what it REALLY can do will be seen somewere in the summer, anything before that is hype.

You are probably right. After I red this

<http://forums.g4tv.com/messageview.cfm?catid=62&threadid=542541> article, I realized that Sony is lying. Shame:(
