sig-nal P Pronunciation Key (sgnl)

n.

An indicator, such as a gesture or colored light, that serves as a means of communication. See Synonyms at gesture.

A message communicated by such means.

Something that incites action: The peace treaty was the signal for celebration.

Electronics. An impulse or a fluctuating electric quantity, such as voltage, current, or electric field strength, whose variations represent coded information.

The sound, image, or message transmitted or received in telegraphy, telephony, radio, television, or radar.

I doubt any internet slang is in the dictionary.
