You got a crush on my brother or some?

Say what? Little rock? I come here every day. Little brother's name? Kinghigh? Yeah, I guess I do put my 2 cents in. Generally 1/4th of one of those 2 cents is hoping he never comes back, and the rest is flaming. As for that post you replied to, I was talking about you. I thought that you died, left, or something. And no, I don't have a crush on your little brother. As a matter of fact, I, aswell as 99% of everyone else here, despise him.

So stfu about that dumbass, I wasn't talking about him at all.
