1. TEH 1337 clans (a.k.a. assholes)

2. Fun & Tournament clans (clans who balance teams and try to make the game difficult for both sides in all non-tournament games)

3. Fun only clans

how about

4. clans who recognise the importance of TEAMWORK in Renegade and find that top-level clanwars are the only place to truly find said teamwork (if you're gonna say public servers involve teamwork then, lol)
