Feetseek wrote on Thu, 09 February 2006 22:00..... i do both of those except for an occasional lag storm that last a week or month

has anyone had a really laggy time and people startrun into walls, then u headshot them??? i get really annoyed since i accidentally do that sometimes i get in trouble for cheating when its the lag's fault

Usually, I have so many friends in the games, that I laugh and continue. Nothing happens. Though, i have been tested for big head/aimbot more then once.
