Try this i found a web site that may be helpful if u are missing a file The website is Renmaps.com Look where it says View all files and if that doesnt work i think it would be better if u buy a new cd.I think they are only \$9.99 for the whole collection. If u dint find the website helpful write me at (dorianisback@yahoo.com)Does it says which file is it if so tell me so i can send it to u if i find it or talk to a administartor about it.Well i gtg let me know wat happens if u got any more / write me at my website I will riply within 10min
