It's not what Westwood called it so I guess you could say it's "incorrect"... and it's your server so you can call it "AOW", or "CCM", or whatever you want really. I don't think anyone is going to be all that bothered as long as it's still the same game.

What strikes me as... well... weird, is arranging a movement among server owners to remove the term "AOW" completely. I mean, it's just a perfectly innocent nickname for a type of game, and it's actually descriptive too. I didn't realise so many people were that picky.
