MaidenTy1 wrote on Sun, 12 February 2006 12:00it only takes two or three meds to completely demolish that rush... people think it's a good strategy but it only works against a completely disorganised opponent, therefore it doesn't prove teamwork when it's pulled off.Right on the nose, Maiden. There never seems to be any real organization on the side I play on lately. No one giving ideas, no one shouting commands, no one doing anything but going "Lone Wolf" and getting themselves killed. Sure, it's fine if one or two people are doing this. It helps distract the enemy. But if the whole team is doing it? Aw, Hell no.
