Goztow wrote on Mon, 13 February 2006 01:39 I kind of liked the single player but never played it since I discovered multi player . The only nasty thing was the boat: I got stuck at the point where I needed to go down that little elevator. I wondered around in that boat for hours...  
Yeah. The boat was definitely the most confusing part. It took me several hours to figure out how to get that level finished. That mission definitely took longer, as far as figuring things out go, than any other missions including the ones after you've entered the Temple of Nod.
