Since WOL became XWIS...

But is not that guy named ummm...Van der spek lol or whatever own Xwis. Crimson had nothing to do with Xwiz before Xwiz took over(I dont think)

But Crimson/BHS had something to do with Renegade and that's what matters. The owners of XWIS gave access to BHS because of the things they did and still do for Renegade. XWIS is a network that involves other C&C games aswell, the XWIS team couldn't possibly offer Renegadeplayers the kind of support BHS can.
