PackHunter wrote on Mon, 06 March 2006 15:46: What was that about bots on XWIS?

But seriously, nice job!

1. Strike Team is aware of my efforts.
2. This "bot" on XWIS only emulates the normal FDS, there are no extra commands or interaction necessary.
3. I am an admin on XWIS, so if my bot does anything naughty, I will ban it

Thanks for the compliment, I'm very happy to have gotten it working.
