Renardin6 wrote on Fri, 03 March 2006 05:44 Yeah, this morning EU tried to have some deal with IRAN to stop the nuclear activities and get the UN control back in IRAN.

The morons refused.

Maybe they would prefer that EU and USA bomb their country and population to stone age?

Iran is developping nuclear wepaons, so they have something to thread with.  
Like: We stop nuclear activities if the EU will finance our economie on long-term base. You'll see the EU will say ok....
