this one guy starts harping on about me being a n00b and n00b tags me, so i decided to show him how n00b i could be. i went and bought a mammoth and deliverd it to nod's doorstep hehe

In this case, I'd probably be the one calling you a n00b. if you did give away a mammoth afterwards again I'd think you were probably just being yourself (ie a n00b) and it would probably not affect me the slightest, especially a mammoth tank, since it really isn't all that useful for general purposes. It's probably even less of a deal since you already gave one before when it could have been avoided.
