rc22fires wrote on Sat, 18 March 2006 00:30 there have not been any connection complaints about CP2 to my knowledge yet.

Okay thanks. That's what I was looking for. I've yet to try Ren out and see if it will run at it's normal ping, but I believe it will. I'm almost 100% sure.

Of course, there's always a first time for everything, isn't there?
