Im Sick of having all these fucking problems with renguard.. i download the no cd patch & stuff. then i go toplay & it says u have been disssconnected from the renguard network for cheating.. WTF PEOPLE. I am sick of allway's having to re-install this shitty software.

Why is it saying we cheat when we don't cheat HUH?

Shouldent u guy's have fixed this problem?

I am very pissed writing this thread. i have done evrything in demand to try & fix this but Nothing is working i mean NOTHING.

Please Give Me Questions Or Something on this crap.

Try this.
