Grim_Reaper_666 wrote on Sun, 26 March 2006 06:54Also i agree that PC's are better than any consol, you can play online, u can get patches and updates, u can get trainers, you can get skins and MODS! and a keyboard and mouse is the ONLY way u can play a FPS, any1 who says otherwise is a moron.

Via Xbox Live, you can get updates to games, download mods, skins, new areas, and you can play online.

No, anyone who says that you can play an FPS on anything other than the keyboard and mouse is perfectly correct. However, anyone who says that the keyboard and mouse aren't the best choices, is wrong. Atleast in my eyes, anyway.
