I think the most powerful anti-infantry soldier is prolly an SBH with a fully loaded shotgun. You can blow people's brains out with 1 shot to the head, especialy snipers, because a lot of times they tend to stand still. The shotgun isen't as good for 1 shot kills as the noobjet/sniper is, but you will kill way more infantry with a shotgun SBH than an SBH sniper, unless you're on the under map.
