csskiller wrote on Mon, 03 April 2006 14:24 Well, when I played renegade I played at the Black Brigade server. I quit the clan and pretty much renegade after a, lets call it an internal scandal caused the clan to break up and I see today that the clan is back in some form. Too much corruption for me to handle and yeah, that's where I stand today. We've never really died... we're only about half dead.

I play on the Black-Brigade server.
