Wish granted. I acquaint you with Thrice (<http://www.WaterIsPoison.com>, <http://www.Thrice.net>), arguably the greatest band ever. In response to this act of supreme benevolence, you instantly develop a crush on me, only to have your heart broken when you find out I'm hetrosexual.

I wish I had a new iPod, with which to store all my good music. Nothing fancy, nothing special, just a 40-gig iPod. Preferably pre-gen4, before they implemented the iPod mini's terrible click-wheel design.
