Does it annoy anyone else here when they get a bunch of friends or whatever to come on and post things like "I know for a fact he definetly doesn't cheat" and such. As if that's some kind of proof.

<dude killed someone with a repair gun>

<me> "I think dude is cheating o_O"

<random person> "Oh, I know for a fact that he doesn't cheat"

<me> "Okay. Well that's all the convincing I'm going to need"
