I usually speak German to freak 'em out. That or Russian with a Sean-Connery in "Red October" accent. Scares the liquid crap out of them.

One of the more evil things to do is wait until it evolves into a full-blown argument. Right as they start making their point I...

Wander off and walk away. You should here the "Ugh!" noises they make. And the stomping-the-foot-on-the-ground makes it worth it!
