All right, this is getting annoying. Why am I constantly referred to as "Dr. Lithius," or "Jeff Collins?" Who are they, what's their significance, and why do you think I'm them?

...oh and that was the only post I bolded severely. You would too, if you had the fastest PC on your block with a 3-minute load time on a 2-D RTS game.

PS: Drastic, that is the creepiest avatar I have ever seen. What's it from?
