DJM wrote on Sat, 15 April 2006 09:43If you use the word "n00b" seriously, you are a dumb---.

I wish that would work. However, I am far too lazy to type '!dumb---,' when '!n00b' is much shorter. Also, my parents would kill me if they saw me typing... you know.

PS: I also support good grammar. I somewhat wish I would practice it, though. Typos are a part of life.
