Toolstyle wrote on Sun, 23 April 2006 08:25 That music video was amazing!

Isn't it though. I think the song is rather catchy after about 4 viewings. I almost clicked on another video when I heard the first note. Glad I didn't, as we all like a good train wreck.

The German kid has to be acting. I have a friend that has to buy 3 or 4 mice at a time because he has issues. Though, nothing like that kid. I think it's acting but I may be wrong.
