SBHs are pwnage on C&C\_Under if you can get a sniper rifle on your hands. There are plenty of Havocs and PIC Syndeys standing still on top of the middle hill for your headshooting pleasure, and there's a rock just outside the Nod base with an excellent view of the hill. I can't help but giggle like a schoolgirl when I kill 10 Havocs in 5 minutes, and the GDI n00bs just keep buying more for me to kill...
