Doitle wrote on Sat, 29 April 2006 19:21I just played it for a long time, but I ran out of missions...
And when I finally clicked abort on the last mission I had and there were none left in the Job
Center it crashed.
Post it in the bug report list. And you can restart the program to restart your game. Atleast you
could in 3.0, I haven't tried it in 4.0.
