Ok I think I fix the problem. I just finished up loading the fixed one. I also fixed my missing texture.

Oh and Oblivion165 did you ever finish or release that tutorial about advanced bot ai? I really want that so i can finish work on my renegade theft auto map. lol heres some pics of my work that I plan on turning into renegade theft auto.

This is my work cept that camaro someone else did that.
these pics were taken in 3ds max 8
