--ALERT-- wrote on Fri, 19 May 2006 14:05Quote:install it- click on Renegade and i get the same error (see image again)
I had same problem. I know it.

Last march 2006 till now. No-one help me. I very unhappy renguard staff. No-one help you. You can't fix it. Renguard always trouble!
Forgive me, but it's relatively hard to help someone when you don't know what's causing the crash.

It's a long shot, but could the both of you (~~ALERT~~ and HTGunny) send me more information regarding the crash?

Specifically I'll need the information outlined in blue, and the files pointed to by the red arrows, as per this example:
