I hope you realize that there is no single known, irrefutable "beginning" of the use of the pentacle.. and it actually symbolizes completely different things to completely different people.

Wiccan's didn't invent it.. they adopted it. So what it means to you, means absolutely nothing to him.

lol... Where did I ever say that followers of Wicca invented it? It's been a symbol of Christianity, Paganism, Israelites and quite a few others. There's only two accepted views of the pentacle, and that's either of it being evil or of it symbolizing life. I opt for the latter, as you find a perfect pentacle within a cut apple.
