ide do that too but it will cost money. im saving up for my room (converting the loft/attic) and my new computer (<thats gona be about £2-3000).

its not that serious, just stopes me from playing renegade *starts weeping* and from accessing taskmanager and stuff *sniffs away the tears*

i appreciate all of your help, all of everyone's help and wish you all good renegading/APB'ing/Reborning (when its released) and apocrising'ing (when thats released too)
