Edit by CFE: no we know. i was refeering to the team

Back on topic, yeah we know, it has been sorted out since, that's an old render.

To all those who have given support and construcitve criticism, thankyou, we will finish this mod and get a release as soon as we can. For those who wish to do nothing more than undermine our efforts and annoy us. Leave us alone i dont want to hear anymore of it. And for everybody i'm leaving the thread to the PR guys. Any other questions can be asked Here
