Duhu, look at thew times, I just postet 3 minutes after you and that was the 3 minutes while I'm searching for the text in the bible

When I pressed reply there was no answer of you. As I see you have already post i bet with my fried it will not take more then 5 minutes untill you reply that there is already a reply. Hm takes you 9 minutes

The Irony is -> you replied (answered) to my post so...hm. But I think we shouldn't argue about this.

Anywas your right, he killed him because god (seems to) loves Able more and Kain was full of hate.

Hm, I just tell it out of my mind, sorry, who can know the whole bible from his mind?
