Quote: That bit about him having rifles inside to shoot out with is bullshit. He only had one pistol in there with him and the only thing he had it for was to kill himself when he was stopped.

Watch the video the thread starter supplied with the quote.

Meh.

Couldnt see the video when I posted and the sources I read the last time including one from a guy who said he went inside said there weren't any.

Can't trust the internet eh?
