mision08 wrote on Fri, 09 June 2006 03:08Damn, thats amazing. Do you work for Cisco Systems directing traffic or what?

I didn't check, but I can tell you my stats. 2950kbps down 240kbps up

Not going to fall for a trick like this by a wanna be hacker.
My IP address is 127.0.0.1
