Dover wrote on Sat, 10 June 2006 17:37I've resorted to playing the old Duke Nukem 3D to get my fix. Ah, the good old days. My first FPS ever.
Exactly same for me, except that DN3D was not my first FPS, it was Doom 2.

Anyway, you should try this mod for DN3D http://jonof.edgenetwork.org/index.php?p=jfduke3d it greatly impoves graphics and makes the game look not-so-old.
