I left GDE. I wasn't voted out of it. If you're going to try to throw something in my face, at least make sure it's true.

I'll take GDE's word for it over yours...

Ask Reckneya or D4rkFyre, I'm sure they remember the letter of resignation I left. Perhaps Coolair remembers as well.

Letter of resignation? WTF is this a job? Same as idiots "retiring"...lol...it's a game - you leave...

Hey - didn't President Nixon resign too!?!?!?

Yes, because suddenly up and leaving when you're in a position of responsibility - in a game or otherwise - without any warning to let people get a replacement is the PERFECT way to not totally screw over a couple of friends.

Furthermore, the last sentence there is clearly a Reducto ad Nixonum ad hominem attack. Id est, you're attempting to discredit your opposition by comparing him to a villanized historical figure. Usually, said figure is Hitler and/or Nazis, but in this case it's Pres. Nixon.

And yes, I do know ancient Latin.

I know pig latin, big fucking deal...you feel smarter having told us?

My reference to Nixon is that Nixon resigned. Does it mean that Nixon felt it was time to go, life was good, he was just getting tired or that his ass was on the chopping block and it was better to run and save some face???

Translate that into ancient latin for 600 Alex...
