Aircraftkiller wrote on Tue, 20 June 2006 17:11excuses, excuses, etc... The graphics in that level look pretty poor in my opinion. What is it that we're supposed to be seeing here? I don't see any action shots or anything that shows us that this works like C&C mode.

sorry, we don't post 3d renders to show off levels, we prefer to show them in game.
