warranto wrote on Mon, 26 June 2006 16:32The only problem (for me at least) is that when I DO crack down on things, I get a dozen private messages telling me to back off and stop being a ... "forum nazi".

Quite simply, there is no pleasing you people. So i've backed off, and am only going after the most serious offenders.
Give them a week ban for non-respect to moderators.
