I thinks it's an english ass...

And my other point was to make a retarded topic to get people off the original one because it's about all pointless babble of someone starting crap to get attention to themselves...

Other they would be the ones that has all her contacts and positions...

Step up or shut up...

Don't like how things are being run...do it better yourself and shut us up...

Three types of people in the world

Those that make things happen  
Those that watch things happen  
Those that ask what the fuck just happened

To be slightly fair, they mostly fall into the 2nd or inbetween the 2nd and 3rd category...she falls in the first...she ain't perfect, but show me who is and I'll shut up...and don't claim God is...otherwise explain Pee Wee Herman...thanks!
