I recall it being vianet as well...

You know, when I get banned from a place, I realize that I'm not wanted back there, so I dm't keep going back, but doesn't seem to get it...

Back the the original question:

It'd be a whore, but a nice whore that's there to comfort you when you're sad, quote useless wikipedia entries, have spelling skills to rival Moe, and associate with arguablely the stupidest people in existance.

Did I meantion lots of anime and time-wasting? Oh yes, there's that.
