Check out Billy Cobham, Steve Gadd, Dave Weckl, Vinnie Colaiuta etc. and then tell me that he's an amazing drummer.

I still stand by it, he's not an amazing drummer, he is a drummer with impressive speed. Speed is not the only good attribute in a car, you could have a car that reaches 200 mph but if the turning, acceleration, gears, whatever were rubbish then it's simply a car with amazing speed.

P.S. On holiday for a week.
