Oh, please. The stupid, and pathetic, "he should have saved himself" argument. Ever think about maybe what he did was for the greater good? Police officers can "save themselves" in certain situations, but they put others above themselves. This is the same concept. Jesus suffered two deaths that day. He suffered an eternal death in Hell and the human physical death. THAT is the sacrifice. He suffered the eternal death, so we don't have to. Not just that he died because people didn't like him. THAT is why he didn't "save himself".
