Quote:

1. Excessive love or admiration of oneself.
2. A psychological condition characterized by self-preoccupation, lack of empathy, and unconscious deficits in self-esteem.
3. Erotic pleasure derived from contemplation or admiration of one's own body or self, especially as a fixation on or a regression to an infantile stage of development.
4. The attribute of the human psyche characterized by admiration of oneself but within normal limits.

Didn't know that there was a word for you Aircraftkiller
