I am completely surprised... and I was oblivious until Dead Dave linked me to this topic. I didn't know that a lot of you respect me. I didn't even know I was polite or useful... that's all very nice things you guys are saying about me. It means a lot to me. I also had no intention to become a global moderator, but if that's what everyone wants, I'll accept the position.

Thank you everyone for your support, and good luck to anybody who has been nominated.
