Icedog has great potential and has the dedication to get the job done. He is very respectful and polite as well.

Oblivion has been waiting to be a moderator for along time, (atleast I am pretty sure it was him who had said so). He has alot of knowledge on Renegade, and would also do a great job.

I wish the best of luck to the rest of ya.

I put my vote in for Icedog, I have been waiting along time but I understand when it's not to be. Ill wait around for it and thank you for being the only person on 3 pages that thought of me, hehe.

I never forget about the people I hold the highest amount of respect for.
