vecta wrote on Fri, 21 July 2006 08:10the error msg i get from the renguard thing...

Error Information:
>SetupDLL\SetupDLL.cpp (1331)
PAPP:RenGuard
PVENDOR:Blackhand Studios (http://www.renguard.com)
PGUID:E32D60ED-020C-461C-949B-A2EDB8B3D55D
$9.1.0.429PAK

that error is nothing to do with what you said in the first place.

An error(-5006 : 0x800700020) has occured during setup

can we have some screen shots?
