I thought the other section would suit this seeing as how this has nothing to do with renegade and general disscussion says

General Discussion

General discussion of Command & Conquer Renegade

I posted in

Other

Need support for something unrelated to Renegade? Post here!

I think im right so shut up

How could you read that and miss that where you posted was under the "techinal" section? The General Discussion is just that, general discussion.

It was moved anyway, so I guess it doesn't matter anymore.
