About koyoto (bleh, it's late):

So what, What do you think China's going to do if it doesn't collapse first? (hint: the words "invade", "neighbouring", and "countries" are involved) They don't give a fuck about that sort of thing, America is the (supposedly) greatest democracy in the world (bleh, what are they doing owing money to China, exactly?) So they, should, from a global standpoint, do the exact opposite...
