CrimsonHaha, no, I didn't pay for the cruise. He will be back probably tomorrow.

If he continues to attack, I have another tactic up my sleeve, plus something I've already initiated to protect myself. Of course you understand I can't say anything on here.

By the way, the new server is SO FAST... I drool

i notice it is faster but back then i had 56k..now i got broadband..everyhting is bloody fast

when can wee see the image gallery back up crims?
