Yeah, if making \$50 dollars an hour is failing at life then my life really stinks.

See the problem here is you fuk-nuts have talked to much shit on people in this forum and now I am here to dish it back in your faces. If you can't deal with it then tuff. You should have thought about this before you did it to so many others.

Interesting, please back your claims by doing a search in the forum and providing us with links.

Also, i thought you were here for amusement, not to act like a Jesus Christ. And speaking of Jesus, if you have been keeping track of the C&C Community (and i am sure you haven't, thus conflicting with your claims that we "fuk-nuts have talked to much shit on people") you would know that we don't tollerate messiahistic figures telling us how to live our lives.

Also, learn to spell.
